NAME 2017 ANNUAL MEETING
Evaluation and CME Application Workbook

• The American Society for Investigative Pathology (ASIP) is assisting the National Association of Medical Examiners (NAME) as Meeting Manager for the NAME 2017 Annual Meeting and will be handling your CME application in accordance with ASCP procedures.

• You must pay a fee to apply for CME credit. If you did not pay for CME when you registered for the meeting, please contact the NAME administrative office at Tel: (660) 734-1891 or Email: name@thename.org.

• This Workbook has been provided to assist you in recording your attendance at sessions and your evaluation as to whether the sessions met the educational goals of the NAME 2017 Annual Meeting. At the conclusion of the meeting, please use your Workbook to guide you in completing the ONLINE CME APPLICATION, which can be accessed at www.name2017.org/cme. It should take you less than 5 minutes to complete the online CME application. This booklet also clearly delineates scientific sessions that are eligible for AMA PRA Category 1 Credit(s)™. Events not listed in this booklet are NOT eligible for CME credit.

• To receive CME credit you must answer ALL questions contained in the application. Do not skip any questions; “comments” are optional.

• Please evaluate each session as to how successfully it met the stated educational objectives of the meeting. If you did not attend a particular session, select “0” hours attended and “Did not attend” as the evaluation in the second column.

• The deadline for submitting the online CME application is December 31, 2017.

CME Accreditation Statement
This activity (“NAME 2017 Annual Meeting”) has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Society for Clinical Pathology (ASCP) and the National Association of Medical Examiners (NAME). The ASCP is accredited by the ACCME to provide continuing medical education for physicians.

The ASCP designates this “live” educational activity for a maximum of 25.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Educational Objective/Target Audience
The objective of the NAME 2017 Annual Meeting is to increase basic and applied pathology knowledge, focusing on autopsy and forensic pathology. The NAME 2017 Annual Meeting is designed to meet the participants’ education needs in the physician competency area of Medical Knowledge, as defined by the Accreditation Council for Graduate Medical Education (ACGME) and the American Board of Medical Specialties (ABMS), and to support participants’ lifelong learning towards a goal of promoting patient safety and improving patient care and is specifically targeted to forensic pathologists, medical examiners, coroners, death investigators, forensic administrators, pathology assistants, laboratory personnel engaged in forensics, and forensic scientists.

At the completion of the NAME 2017 Annual Meeting, participants should be able to:

• discuss medico-legal death investigation protocols;
• describe regulations and competencies for medical examiners;
• discuss the forensic investigation of accident- and trauma-related death;
• discuss forensic science approaches to investigation of domestic violence and homicide; and
• discuss forensic science approaches to sudden death in children and adult populations.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest
In order to ensure balance, independence, objectivity and scientific rigor in all its educational activities, and in accordance with ACCME Standards, the ASCP requires that all individuals in a position to influence and/or control the content of ASCP CME activities disclose to the ASCP and subsequently to learners whether they do or do not have any relevant financial relationships with proprietary entities producing health care goods or services that are discussed in CME activities. Faculty are asked to use generic names in any discussion of therapeutic options, to base patient care recommendations on scientific evidence and to base information regarding commercial products/services on scientific methods generally accepted by the medical community. All ASCP CME activities are evaluated by participants for the presence of any commercial bias and thus input is used for subsequent CME planning decisions. The primary purpose of this “live” CME activity is educational and the comments, opinions, and/or recommendations expressed by the faculty or authors are their own and not those of ASCP or NAME.
Planning Committee Disclosures: The Education, Program and Publications (EPP) Planning Committee members and staff of this CME activity have no relevant financial relationships with commercial interest to disclose. The members of the NAME 2017 EPP Planning Committee are:

- Sally Aiken, MD
- Rebecca Asch-Kendrick, MD
- Michelle Barry Aurelius, MD
- Nicholas Batalis, MD
- Louis Finelli, DO
- James Gill, MD
- Jennifer Hammers, DO
- Gregory Hess, MD
- Martina Kennedy, DO
- Laura Knight, MD
- Kelly C. Lear-Kaul, MD
- Dianne Little, MBBS
- Denise McNally
- Roger Mitchell, MD
- D. Kimberley Molina, MD
- J. Keith Pinckard, MD, PhD
- Kathryn Pinneri, MD
- Carolyn Revercomb, MD
- Barbara Sampson, MD, PhD
- Gregory Schmunk, MD
- Candace Schoppe, MD
- Tara Snethen (Consultant)
- Mark Sobel, MD, PhD (Consultant)
- Robert Stoppacher, MD

Faculty Disclosures: All invited faculty of CME-designated sessions have been asked to disclose any relationships that, in the context of their presentation, could be perceived by some as a real or apparent conflict of interest. None of the faculty (see full list below) have disclosed any relevant relationships that could be perceived by some as a real or apparent conflict of interest; no faculty will be discussing any off-label or investigational use of drugs/devices.

- Marie Abate, BS, PharmD
- Sally Aiken, MD
- Corey Allard, DO
- Elaine Amoresano, MD
- Luisa Andrello, MD, PhD
- Joseph Andrews, MD
- David Arboe, II, MD
- Daniel Atherton, MD
- Erika Baardsen, DO
- Raman Baldzizhar, MD
- Nicholas Barna, II, MD
- Phinon Beckham, BS, MFS
- Michael Bell, MD
- Jeremy Berg, MD
- Shamsi Berry, PhD
- Dianna Blau, DVM, PhD
- Paula Braun, MS
- Derek Bumgarner, MD
- Leah Bush, MS, MD
- Daniel Butler, MD
- Michael Caplan, MD

- Ji Hye Park, MD

NAME 2017 Annual Meeting Evaluation and CME Workbook Page 2
**How to Apply for CME Credit:** CME application forms will be available online at www.name2017.org/cme beginning October 13, 2017 and must be submitted no later than December 31, 2017. You will receive your CME certificate within two weeks of successful submission of your online application. The American Society for Investigative Pathology (ASIP) is assisting NAME as Meeting Manager for the 2017 Annual Meeting and will be handling your CME application in accordance with ASCP procedures. Should you have questions about your CME application or if you do not receive your certificate within the timeframe explained above, contact the ASIP Education Office at Tel: (240) 283-9712; Fax: (301) 984-4047; Email: cme@asip.org or write to the ASIP Education Office: 1801 Rockville Pike, Suite 350, Rockville, MD 20852.

This Workbook contains a consolidated list of sessions that are eligible for a maximum of 25.75 **AMA PRA Category 1 Credit(s)**™.

Visiting the exhibits is not an approved continuing medical education activity because of ACCME standards that are designed to prevent commercial bias. A maximum of 4.0 hours can be credited for viewing posters. The meeting program identifies those events that are not continuing medical education activities (such as social events, committee meetings, and meals) with the designation “NOT CME.” Signs will also be placed outside sessions and events that are not eligible for **AMA PRA Category 1 Credit(s)**™. If you have any questions about the CME eligibility of a session, please ask at the registration desk.

**Self-Assessment Module (SAM) Credit:** NAME is approved by the American Board of Pathology (ABP) as a provider of SAM credits. If you are interested in obtaining SAM credits for the NAME 2017 Annual Meeting, there is a separate fee and you must successfully pass an online examination by December 31, 2017. Individuals who have paid the SAM registration fee will be contacted with additional information. To register for SAM, please contact the NAME administrative office at Tel: (660) 734-1891 or Email: name@thename.org.

Comments (Optional)
Overall Meeting Evaluation

My objective(s) for attending this meeting included: (check all that apply)

- Learning of the newest advances in autopsy and forensic pathology
- Learning about medico-legal death investigation protocols
- Learning about innovations in imaging technologies and radiology techniques as they relate to forensic science
- Learning about forensic investigation of trauma-related deaths
- Learning about forensic science approaches to investigation of domestic violence and homicide
- Learning about forensic science approaches to sudden death in children and adult populations
- CME Credit
- SAM Credit

Were your objectives fulfilled? □ Yes □ No

Rank the following statements:

<table>
<thead>
<tr>
<th>The meeting content reflected the advertised title and description.</th>
<th>□ Strongly Agree</th>
<th>□ Agree</th>
<th>□ Disagree</th>
<th>□ Strongly Disagree</th>
</tr>
</thead>
<tbody>
<tr>
<td>The meeting met the learning objectives listed.</td>
<td>□ Strongly Agree</td>
<td>□ Agree</td>
<td>□ Disagree</td>
<td>□ Strongly Disagree</td>
</tr>
<tr>
<td>The content was valuable and met my needs.</td>
<td>□ Strongly Agree</td>
<td>□ Agree</td>
<td>□ Disagree</td>
<td>□ Strongly Disagree</td>
</tr>
<tr>
<td>The content was free from commercial bias (if not, please comment below).</td>
<td>□ Strongly Agree</td>
<td>□ Agree</td>
<td>□ Disagree</td>
<td>□ Strongly Disagree</td>
</tr>
</tbody>
</table>

Comment:

The content was well organized. □ Strongly Agree □ Agree □ Disagree □ Strongly Disagree

The level of difficulty of the content was appropriate. □ Strongly Agree □ Agree □ Disagree □ Strongly Disagree

The content has practical application(s) for my practice. □ Strongly Agree □ Agree □ Disagree □ Strongly Disagree

How would you rate this educational activity overall? Please comment below.

Would you recommend this meeting to your colleagues? □ Yes □ No

Will you make any changes in your practice as a result of the knowledge and/or skills gained at this meeting? □ Yes □ No

If “yes”, list the changes that you will make and below that, how you plan to implement them.

Change #1:

How will you implement Change #1?

Change #2:
How will you implement Change #2?

Change #3:

How will you implement Change #3?

What barriers might prevent you from making the above changes?

What did you find valuable, or how did you benefit from this meeting?

What suggestions do you have for improvement?

Overall meeting comments (optional):

May we quote you (if applicable)? □ Yes □ No

Please rate the following meeting arrangements:
